Announcements

- You are permitted and encouraged to make yourself a page of notes for this examination. (ONE PAGE, ONE SIDE OF THE PAGE). Any attempt to use notes not complying with this simple regulation will lead to such notes being discarded.
 - You will see the most benefit from this if you make your own page, rather than borrowing/ copying the notes of another student. The act of making this page engages you in effective studying.
- No electronic devices may be used until after all tests are submitted, so bring a book or something quiet and productive to do in the case that you finish early
- Friday will be a low-key day of celebration. You are welcome to bring non-messy food and beverages for yourself and/or to share. We will be viewing National Treasure 2 Thursday and Friday.
