

Assignment Parameters for Mr. Rosenleaf's US History Class

Heading (always at top right of paper):

•
•
•
•
•
•
First & Last Name
Period # - USH
Mr. Rosenleaf
Date
Assignment Description (be specific)

- All work in US History, unless otherwise stated, should be done in pen or typed. Pencil work is not permitted in US History except on tests.
- Unless otherwise indicated, all work should be done in COMPLETE SENTENCES.
- If the work requires you to answer questions, you should restate that question in your response.
- If asked to define or identify a term, your response should be in complete sentences and should both define/identify the term AND explain its significance to the material we are presently studying
- If assignment is based upon pre-printed questions (from text or worksheet), you should number those questions as they are numbered on the source material.
- Please skip a line between each response.
- All paper submissions should be stapled together if they are multiple pages in length
- Any electronic submissions will be made to Moodle. On-time electronic submissions will earn 5 points of extra credit.
- Mr. Rosenleaf supplies notebook paper if you need it, please do not cram your work, make sure it is readable. All work should be on FULL SHEETS of paper, unless otherwise stated.
- One line of text per line on notebook paper!
- **Failure to conform to these assignment parameters may result in loss of points or non acceptance of work.**
