

Chapter 33 Assignment: For 1-30 Define AND explain significance (importance) for each terms in the context of the themes of this chapter. (example: *Helmut Kohl was a German political leader and Chancellor of Germany in 1989. He was important because he was the driving force behind the reunification of East and West Germany.*) Please NUMBER all responses in correspondence with the numbers below. Please skip a line between each response. Submissions should be written in pen or typed. Electronic submission of typed assignments to Moodle will be awarded 5 points of extra credit. For #31, respond to the question in at least 4 complete sentences. **Your responses should be in your own words. While some similarity will exist in the term identification, your response as to the significance of each term should absolutely be uniquely in your words!**

1. entitlement program
2. New Right
3. affirmative action
4. reverse discrimination
